2. Rich Events provides a standard Christian or non-religious wedding or renewal of vows ceremony, officiated by Rev. Brandon Rich. Couples may bring brief personally written vows to be incorporated into the standard ceremony, otherwise standard vows will be provided, unless the Elopement Ceremony Samples upgrade is selected. The ceremony will be inside the mansion in front of the bay window. This is a simple, intimate elopement ceremony. The only music allowed is the Recorded Music Upgrade. Preview and planning meetings are not included in this package, but calls, texts and emails are welcomed.

3. The couple eloping and any guests must arrive together, dressed and ready for the ceremony. No separate entrances allowed for the couple eloping, and no first-look photographs. Clients and guests are permitted to enter Belmont Mansion Visitor Parking no sooner than 10 minutes in advance of the approved booking start time. Clients and guests must wait in their cars until time to enter the mansion, which must be precisely at the approved time on their contract. Clients and guests who use transportation vendors must plan drop off and pick up carefully to stay within contract requirements. There is no separate indoor waiting area. Ceremonies will not be delayed or extended due to late arrivals. The client risks forfeiting all or part of the booking if the group does not arrive in a timely manner. Clients and guests must leave campus immediately after the elopement. Clients and guests are not permitted to be on Belmont's campus before or after contract time.

4. If the client cancels the booking, there is no refund and no rescheduling. If the client postpones the booking, it may be rescheduled to a new available date that is no more than 180 days beyond the original booking date, otherwise the booking is forfeited. The client must notify Rich Events at least 24 hours before a scheduled booking to be eligible for postponement and rescheduling, otherwise the booking is forfeited with no refund provided. Rich Events reserves the right to postpone and reschedule a booking due to winter or other weather conditions, a pandemic, or other extraordinary situation that would make it impossible or unsafe to proceed. No refunds are ever provided. Rich Events and Elopements of Nashville will send multiple reminder messages in the two weeks leading up to the ceremony. The couple must respond and confirm their booking at least 24 hours prior to the scheduled ceremony to avoid default cancellation. _____ **Initial Here.**

5. Professional photography is required in this package and is provided by Elopements of Nashville. Videography is available as an upgrade from Elopements of Nashville (must be selected at least 24 hours in advance) for \$150.00 and is delivered same day. No other paid or non-paid photographers/videographers are allowed. Photography is only permitted during the approved package time: no exceptions. Indoor photography is restricted to pre-approved spaces. Please note that outdoor photography at Belmont is allowed, time and weather conditions permitting, but restricted to specific areas of campus from the entrance of the mansion extending south to the white marble fountain and to the east and west to the twin gazebos and lawn. Guests may not live stream or take photos or video during the ceremony. The client/couple must inform guests in advance to put their cameras and cell phones away until the photographers finish all staged photos toward the end of the booking.

6. This is not a traditional wedding. This is a ceremony-only elopement. Rich Events and Elopements of Nashville host and photograph multiple elopements per day. Multiple ceremonies and other activities take place at Belmont Mansion every day. It is the responsibility of the couple eloping to prepare all guests in advance with the location of the venue, as well as the timeline and special guidelines that the booking carries, especially those that apply to the guests. Since Rich Events and Elopements of Nashville will not have contact with your guests prior to the ceremony, we must rely on you, the eloping couple, to prepare your guests accordingly. This will ensure the best possible experience for everyone.
